STATE TRAFFIC CODES

ORDINANCE No.18

The Town Board of Athelstane, Marinette County, Wisconsin, does hereby ordain as follows

18.01 STATE TRAFFIC LAWS ADOPTED

Except as otherwise provided in this ordinance, all provisions of Chapters 340 to 350 of the Wisconsin Statutes, and all provisions of Trans 305 of the Wisconsin Administrative Code describing and defining regulations relative to the equipment of vehicles that the City may adopt as ordinances are hereby adopted and by reference made part of this Chapter as if fully set forth herein. Any future amendments, revisions, or modifications of the statutes incorporated herein are intended to be made part of this Code in order to secure uniform statewide regulation of traffic on the highways, streets, and alleys of the State of Wisconsin.

18.02 OFFICIAL TRAFFIC CONTROL DEVICES

(1) Duty of Town Board of Athelstane to Erect and Install Uniform Traffic Control Devices.

Whenever traffic regulations created by this chapter, including State traffic regulations adopted by reference in s 7.01, require the erection of traffic control devices for enforcement, the Town Board shall procure, erect and maintain uniform traffic control devices conforming to the Uniform Traffic Control Device Manual promulgated by the Wisconsin Department of Transportation, giving notice of such traffic regulation to the users of the streets and highways on which such regulations apply. Whenever State law grants discretion to local authorities in erecting or placement of a uniform traffic control device, devices shall be erected in such locations and in such manner as in the judgment of the Town of Athelstane will carry out the purposes of this section and give adequate warning to users of the town and private roads in the Town. Of Athelstane

(2) Code Numbers to be affixed to Official Traffic Control Devices.

The Planning Commission shall cause to be placed on each official traffic control sign, guide board, mile post, signal or marker erected under (1) a code number assigned by the Wisconsin Department of Transportation and shall also place or direct the placing of code numbers on all existing official traffic control devices

(3) Prohibited Signs and Markers on Town Roadways.

No person other than a person authorized by this chapter to erect and maintain official traffic control devices or his designee shall place within the limits of any street or highway maintained by the Town any sign, signal, marker, mark or monument unless permission is first obtained from the Town Board. Any sign, signal, marker, mark or monument placed or maintained in violation of this subsection shall be subject to removal as provide in sub. (4)

(4) Removal of Unofficial Signs, Markers, Signals, and Traffic Control Devices.

The Town Board may remove any sign, signal, marking or other device, which is placed, maintained or displayed in violation of this chapter or State law. Any charge imposed against premises for removal of a prohibited or illegal sign signal, marking or device shall be reported to the Town Board at its next regular meeting following the imposition of the charge for review and certification. Any charge not paid on or before the next succeeding November 15 shall be placed upon the tax roll for collection as other special County taxes.

18.03 POSTING TEMPORARY SPEED LIMITS

(1) The Town of Athelstane is authorized, at his or her discretion, to impose mandatory Temporary speed limits under the continuing authority of this ordinance and without Need of further approval.

a) Temporary speed limits shall be in accord with this ordinance and shall be imposed By the posting of either portable or fixed temporary regulatory speed limit signs of the Same face size and design as permanent regulatory speed limit signs, type R2-1, as Described in the Manual on Uniform Traffic Control Devices as adopted by the Wisconsin Department of Transportation.

b) Signs may be posted on any Town road

Under the jurisdiction of this authority or any state trunk highway upon which this town Performs maintenance under s 84.07, Wis. Stats. When such roadway is being constructed, reconstructed, maintained or repaired by Town of Athelstane but only in the immediate area of such work and of those persons engaged in performing such Work.

.(c) Any speed limits imposed under the authority of this ordinance are temporary, and The signs imposing such limits shall be removed, covered or otherwise obscured when The roadway construction or maintenance workers performing construction, Reconstruction, maintenance of repairs and their equipment are not present on the Shoulders or traveled portion of the roadway.

(d) The area in which any temporary speed limit is imposed shall be terminated by Posting regulatory speed limit signs informing the public of the specific speed limit Outside of the area where construction, reconstruction, maintenance or repair work is Being performed.

(e) Nothing herein shall prohibit the Town of Athelstane from posting advisory speed limit signs, of the type W13-1 as described in the Manual of Uniform Traffic Control Devices, in areas of roadway construction, reconstruction, maintenance or repairs suggesting such speed as he or she deems appropriate to promote the safety of roadway users and that such advisory signs may also be posted in conjunction with the temporary mandatory speed limit signs, as described and authorized above.
